

## **Post-Secondary Education Counseling**

Assist a student to enroll or remain enrolled in postsecondary education or training by helping them understand how to successfully transition to a postsecondary education or training program; identify postsecondary education and training options; complete steps for enrolling in a postsecondary education or training program; learn about and apply for postsecondary financial aid options; learn about various supports and assistive technology used by students with disabilities at college; such as, where and how to get alternative formats of textbooks; learn about information on course offerings, career options, the types of academic and occupational training needed to succeed in the workplace and how post-secondary opportunities associated with career fields or pathways would pertain to a student who is currently enrolled to ensure they are on the right pathway; and make decisions about changing majors and/or education or training programs.
